

ANDY BOY®

FENNEL

Product Details

- Proprietary Seeds
- Year-Round Availability
- Versatile Product for Many Applications
- Refrigerate Immediately: 34-36°F
- Wash Before Use

Nutrition & Advantages

- Low in calorie; each serving of fennel contains only 25 calories.
- Contains high levels of both soluble and insoluble fiber to improve digestion.
- Boosts the immune system.
- Contains strong anti-inflammatory nutrients such as folate and vitamin C, which supports heart health.
- With elegant fronds and a hearty bulb, this delightful vegetable is crunchy with a sweet, licorice twist.
